

MARINE & ENERGY

Longshore +

This specialized product offers marine construction and contractor companies with under \$50 million in revenue a streamlined, all-in-one insurance solution. By consolidating coverage under a single insurer, it ensures comprehensive protection, closes potential coverage gaps, and removes the hassle of coordinating with multiple carriers if an employee is injured.

HIGHLIGHTS:

- + Marine contractors and construction organizations only
- + Commercial, recreational and/or residential clients
- + Gross receipts under \$50M
- + \$25K minimum premium across all lines
- + Available nationwide (excluding Florida)

OFFERING:

- + Marine Package including:
 - Marine General Liability, Hull & Machinery, Maritime Employers Liability and Protection & Indemnity
- + USL&H and Worker's Compensation
- + Contractor Equipment, Auto Physical Damage/Liability and Cyber
- + Primary limits up to \$1M (\$5M for Hull & Machinery for any one vessel)
- + Excess limits up to \$5M (may be written 100% or Quota Share)

BENEFITS:

- + Enhanced coverage includes Per Project Aggregate & Care Custody/Control
- + Seamless coverage for employee injuries
- + Single point of contact for claims notifications
- + Ability to write 100% of Primary and Excess
